# How to authorise Montapacking as Amazon developer

1. Login to the Amazon Seller Central
2. Go to Settings → User permissions

3. Click on 'Visit Manage Your Apps"

Third-party developer and apps

To authorise a new developer, or to manage your authorised third-party developers and apps, visit the Manage Your Apps page by clicking below

Visit Manage Your Apps
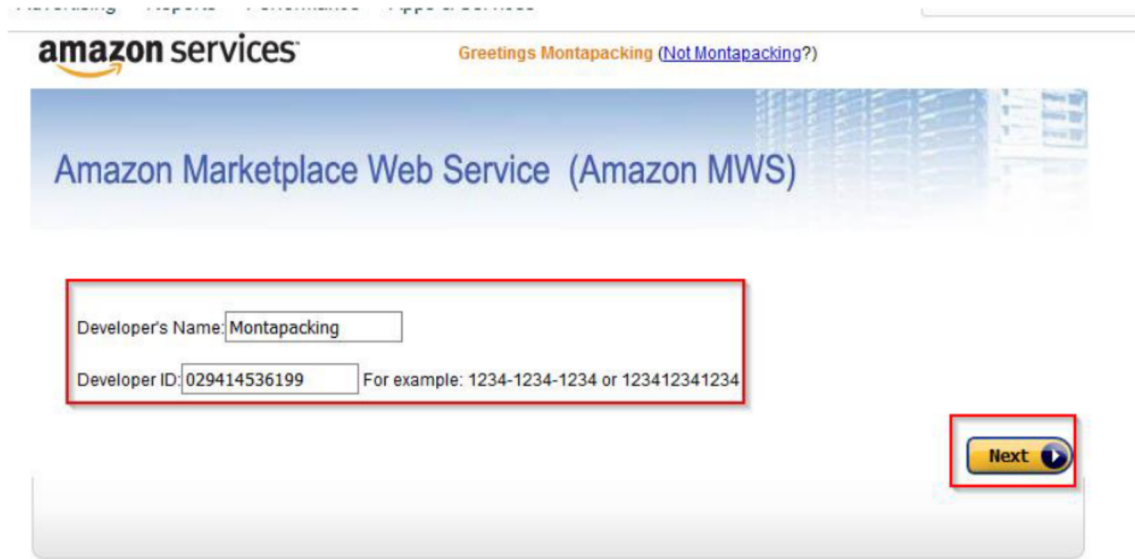

4. Click on "Authorise New Developer"

Appstore

Manage your apps

Manage access to your seller data

Authorise new developer

5. Fill in "Montapacking" and our developer ID: 029414536199
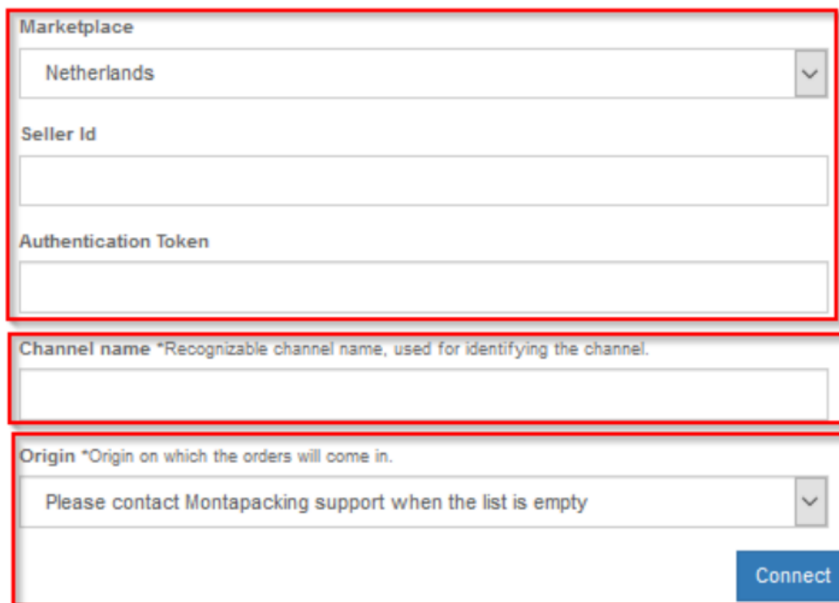

6. Agree with the terms and finish the registration
7. Use the given Seller ID and MWS Authorisation Token in the Montaportal form combined with the preferred Marketplace
8. Fill in a recognizable Channel name like: "Company name Amazon NL"
9. Select the Montaportal Origin where the orders should be placed*

*For each connection you want to make there should be a specific Origin, to get a Origin you should contact Montapacking Support or you Montapacking contact.
